CREDIT AGREEMENT

Applicant and Co-Applicant (collectively, "Applicants") hereby request that Creditor open an account for Applicants and make credit sales of merchandise or materials upon that account in reliance upon all of the information provided to Creditor. In consideration therefor, Applicants agree:

1. That Creditor may sell or deliver merchandise from time to time to employees, agents, or representatives of Applicants without purchase orders issued by Applicants. Unless written instructions to the contrary are received by Creditor, acceptance of merchandise or materials by Applicants or their employees, agents, or representatives shall be deemed equivalent to purchase order.
2. To pay all amounts Net 30 days of invoice. All amounts unpaid by said date shall be assessed a finance charge equal to 1.5% per month. All such overdue accounts are subject to collection action, including court proceedings, by Creditor.
3. In the event that the account becomes delinquent, Applicants agree to pay all reasonable attorneys' fees and costs incurred in the collection of the account, including fees for mechanic's lien, stop notices, bond premiums, legal actions, or for any other method or remedy that Creditor may take to enforce collection. Applicants also agree to pay all bond premiums, filing fees, and recording charges that may be incurred by Creditor in connection with such collection activities. If the account is placed with a collection agency, Applicants agree to pay an additional charge equal to the cost of collection including agency and attorney's fees and court costs incurred and permitted by law.
4. Each and every sale of merchandise by the issuance of a Creditor invoice shall be a sale subject to the terms and conditions of this Credit Agreement and such policies of Creditor in effect at the time of sale.
5. Creditor shall have the sole discretion as to the amount of merchandise or material purchased on credit, and may raise or lower any such amount at any time without notice to Applicants.
6. Any waiver of any condition or requirement of this Credit Agreement shall not be considered a waiver of any other requirement, nor as a waiver of any condition or requirement as to any prior or subsequent transaction.
7. Either party may terminate this Credit Agreement at any time upon notice to the other; provided, however, that any sale made or credit extended prior to termination shall be subject to the terms of this Credit Agreement.
8. Each of the Applicants warrant that any merchandise or materials purchased, and any credit extended, are intended solely for business or commercial purposes, and not for personal, family or household purposes or uses.
9. Each of the Applicants further warrant that all information provided to Creditor including without limitation this application, financial statements, credit and references, is complete, accurate and correct. Applicants understand that Creditor will rely on such information in entering into this Credit Agreement and extending credit. Applicants further agree that Creditor may request such information, from any party, as it may from time to time require.
10. In the event that there is any conflict between the terms of this Credit Agreement and any invoice prepared in connection with a sale made under this Credit Agreement, the terms of this Credit Agreement shall control. This Credit Agreement and all matters arising out of this Credit Agreement shall be governed and construed in accordance with the laws of the State of California. In consideration for credit which may be granted by Creditor, it is specifically agreed that Applicants' default in obligation to make any payment may enable Creditor to bring all collection actions in Sacramento County, California. This instrument is a bilateral agreement formed upon acceptance by Creditor at its offices in said County.
11. If any provision of this Credit Agreement or the application thereof to any person or circumstance shall, for any reason and to any extent, be found invalid or unenforceable, the remainder of this Credit Agreement and the application of that provision to other persons or circumstances shall not be affected thereby, but shall instead continue in full force and effect.
12. Applicants will notify Creditor immediately upon change of ownership, withdrawal or addition of partners, incorporation, or change to limited liability company/partnership. The liability of Applicants shall not be affected

by the incorporation, merger, reorganization, sale of business or the disassociation or withdrawal of the Applicants, or either of them.

13. Applicants represent that neither Applicant nor Co-Applicant has ceased to pay its/her/his debts in the ordinary course of business or affairs, that he/she/it can pay his/her/its debts as they become due, and that he/she/it is not insolvent as "insolvent" is defined under the Federal Bankruptcy Laws. Applicants agree that they will cease to order materials from Creditor immediately if any representation made in this Application shall become incorrect.
14. Applicants agree that in the event that any owner, partner, shareholder, member, director, or officer, of the Applicant entity named above, or any business related to Applicants, or either of them, ("Related Party"), or any of the successors or entities under common ownership with any Related Party shall obtain product from Creditor pursuant to this credit application, or if Creditor advances product to any of the foregoing parties in reliance on this credit application, Applicants agree that any such Related Parties will, with Applicants, be jointly and severally liable for payment for all product and for any breach of this Credit Agreement.
